TRANSMITTAL OF SUBSTITUTE DECLARATION (35 U.S.C. §26)

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Two combined declaration and power of attorney forms for the above-referenced application were submitted on July 12, 2001. One of the declarations bore an incorrect serial number on the front page. That declaration was sufficient for filing purposes by virtue of naming both the inventors and the title of the application (M.P.E.P. 602).

Nonetheless, Applicants submit herewith a substitute declaration, separately signed and dated by the inventors, which makes reference to the correct serial number of the application., and Applicants respectfully request that it be entered into the file in place of the originally-filed document.

Respectfully submitted,  
MORGAN & FINNEGAN, L.L.P.
